

# SHELDON HOUSE

part of the SENAD Group

## Sheldon House Profile

### Residential Care for young adults:

Sheldon House is a community based residential home for up to 7 young adults with complex learning and communication difficulties. Sheldon House is set within a suburb of Leicester and has very easy access to local facilities and all modes of transport.

### Resident Profile:

- Severe learning difficulties with associated challenging behaviours
- Residents who need routines and structure to enable the development of skills.

### Features of Our Provision:

- Access to the local community via on-site transport which includes activities such as swimming and horse riding
- Individual life skills and social skills programmes
- Access to local colleges
- Therapeutic support from the SENAD Groups, Speech and Language Therapist, Psychologist and Occupational Therapists
- High quality accommodation, individual en-suite bedrooms
- Highly skilled and experienced staff, who work as an integrated team and provide an holistic approach with an emphasis on encouraging independence and promoting self confidence.

**We can arrange an immediate, free, no obligation assessment.**

**For more information about our work, to arrange an assessment or advice on a difficult case**
